

STATE OF MAINE
PUBLIC UTILITIES COMMISSION

Docket No. 98-088

June 16, 1998

LINCOLNVILLE TELEPHONE COMPANY
Proposed Tariff for Intrastate
Access Service

SUPPLEMENTAL ORDER;
APPROVAL OF ADDITIONAL
ACCESS RATES

WELCH, Chairman; NUGENT, Commissioner

On January 30, 1998, Lincolnville Telephone Company filed proposed access rates under this docket number. That filing included rates for both switched and special access, as well as a cover sheet, title page and tables of contents.

On March 30, 1998, in Docket No. 98-250, Lincolnville Telephone Company filed revisions to its originally proposed switched access rates. These provisions were designed to comply with the requirement of Chapter 280, § 8(J)(2)(c) that access charges be reduced by an amount equal to 40% of the difference between existing access charges and those required by section 8(J)(2)(d) of Chapter 280 on or before May 30, 1999.

In an order issued on May 27, 1998 in both dockets, we approved the revised *switched* access rates. We also inadvertently rejected all of the remaining pages included in the January 30, 1998 filing on the ground that they were superseded by the March 30 filing.

On June 4, 1998, Lincolnville Telephone Company filed a letter pointing out that the later filing did not supersede the special access rates, the cover sheet, the title page or the contents pages that were included in the earlier filing. We consider Lincolnville Telephone Company's request to be a request for reopening or reconsideration pursuant to chapter 110, § 1004. We grant the motion and we modify our decision as described in this order.

We have reviewed the additional pages in the January 30 filing and find that they are reasonable, and we therefore approve them.

Accordingly, we ORDER approved the following rate schedule pages of Lincolnville Telephone Company all filed on January 30, 1998; pursuant to 35-A M.R.S.A. § 309(2), they shall have an effective date of May 30, 1998:

Access Service, Title Page, Original

Access Service, Contents, Page 1, Original
Access Service, Contents, Page 2, Original
Access Service, Section 2, Pages 1-35, Original

Dated at Augusta, Maine this 16th day of June, 1998.

NOTICE OF RIGHTS TO REVIEW OR APPEAL

5 M.R.S.A. § 9061 requires the Public Utilities Commission to give each party to an adjudicatory proceeding written notice of the party's rights to review or appeal of its decision made at the conclusion of the adjudicatory proceeding. The methods of review or appeal of PUC decisions at the conclusion of an adjudicatory proceeding are as follows:

1. Reconsideration of the Commission's Order may be requested under Section 1004 of the Commission's Rules of Practice and Procedure (65-407 C.M.R.110) within 20 days of the date of the Order by filing a petition with the Commission stating the grounds upon which reconsideration is sought.
2. Appeal of a final decision of the Commission may be taken to the Law Court by filing, within 30 days of the date of the Order, a Notice of Appeal with the Administrative Director of the Commission, pursuant to 35-A M.R.S.A. § 1320 (1)-(4) and the Maine Rules of Civil Procedure, Rule 73 et seq.
3. Additional court review of constitutional issues or issues involving the justness or reasonableness of rates may be had by the filing of an appeal with the Law Court, pursuant to 35-A M.R.S.A. § 1320 (5).

Note:The attachment of this Notice to a document does not indicate the Commission's view that the particular document may be subject to review or appeal. Similarly, the failure of the Commission to attach a copy of this Notice to a document does not indicate the Commission's view that the document is not subject to review or appeal.
